

Resolution: Maintain Separate Tech Prep Funding in Alaska under the Carl D. Perkins Career and Technical Education Improvement Act of 2006

WHEREAS separate Tech Prep funding has allowed for development of a statewide Tech Prep consortium which has brought together partners to develop new agreements, provided staff to serve as liaisons to partner institutions, provided tech prep student grants, provided distance tech prep projects, and provided professional development

WHEREAS Tech Prep programming can help expand the career and technical education programs at the secondary and postsecondary level

WHEREAS partnerships like those developed through Tech Prep will be required under the Carl D. Perkins Career and Technical Education Improvement Act of 2006

BE IT RESOLVED that AACTE advocate for maintaining separate Tech Prep funds in Alaska under the Carl D. Perkins Career and Technical Education Improvement Act of 2006.

Dated: October 13, 2006
